KRS Chapter 18A, KRS 156.017, House Bill 502 (Budget Bill-2000 General Assembly); executive order 96-612, House Bill 727 (1998 General Assembly)

History/Background:

Existing Policy. The Kentucky Board of Education authorized a minimum 10% minority employment goal for the Department of Education in 1994. In addition, effective July 1, 2004 the targeted hiring goal for minority employment in all state government was raised from 7.51% to 10% based on the 2000 census data for Kentucky.

The Department of Education's minority employment goal is consistent with the Kentucky State Government goal and is designed to: 1) provide equal opportunities for recruitment and selection at all levels of the department; 2) mirror the student population of Kentucky's schools; and 3) provide for a multi-talented and diverse workforce that can provide quality leadership and professional services to local school district administrators, teachers, parents, students and citizens.

 - o 37 applicants were minorities

The following notations are designed to provide clarification for the preceding statistics:

- All KDE positions are advertised on the KDE website and all positions which require a merit register are posted on the Personnel Cabinet website for 10 days.
- KDE's internal policy requires an interview panel of a minimum of three (3) people, 1 of whom must be a minority and a minimum of three candidates must be interviewed, 1 of whom must be a minority candidate, if available.
- A **contact** is defined as a phone call or e-mail, made by the Kentucky Department of Education Division of Human Resources, requesting an individual, who has self-nominated, to interview.
- The Kentucky Department of Education does receive certified registers from the Personnel Cabinet that do not contain applicants with a designated minority status.

The Kentucky Department of Education's hiring is currently subject to the restrictions issued by Governor Beshear's executive order 2008-011. This order implements a new process on how personnel actions will be requested by the agencies and approved by the Governor and the Secretary of the Personnel Cabinet.

The following notations are designed to provide clarification, for the report in its entirety:

- Full-Time Employee, for the purpose of this report, is defined as all KRS18A and all KRS161 employees.
- For the purpose of this report, **Leadership** is all non-graded, non-merit KBE/KDE employees; **Professional** reflects all positions, grade 15 and above, and **Support** includes all positions grade 14 and below.

• Appointments and separations are not mutually exclusive. As KDE employees are many times the successful candidates for positions, a single move may create a separation and an appointment. For the purpose of this report, a separation includes: resignations, retirements, dismissals, transfers out of KDE, and deaths.

Attached are two charts, one reflecting overall and minority employment by type of employment, bureau and office and the second providing historical data on minority employment.
